

Acu Pa Face Lift

by Beaute Brow

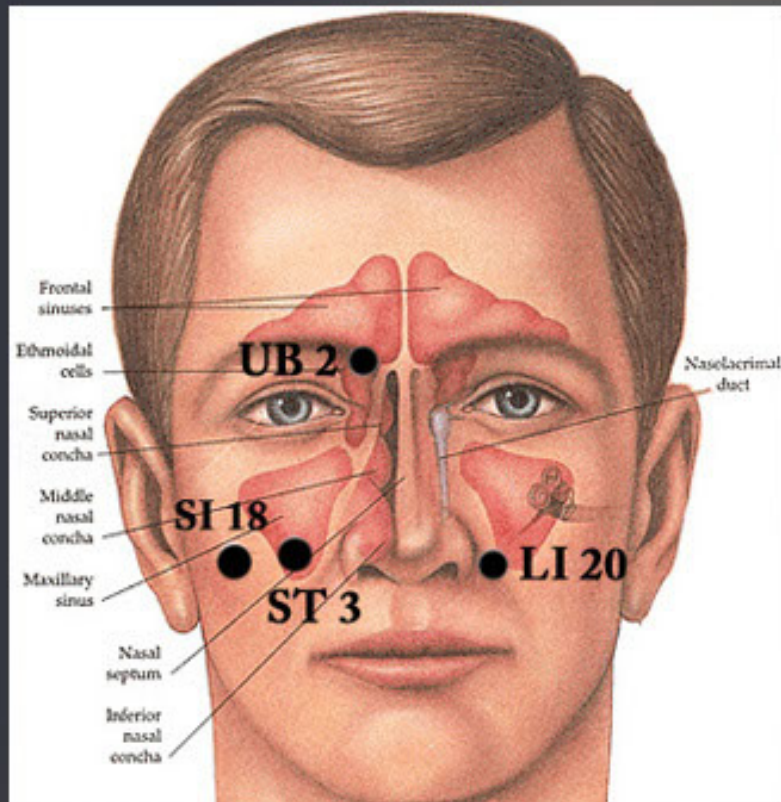

beaute brow

Body Face Brow

Our face has numerous **acupressure nodal points** which are used by acupuncturists to help relief stress & other ailments.

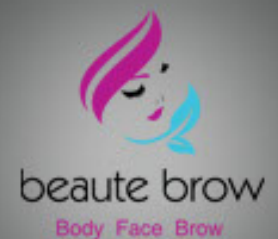

These points are situated on **meridians** which channel energy throughout the body

beaute brow
Body Face Brow

Stimulating these **energy nodal points** treats certain ailments that correspond to each point

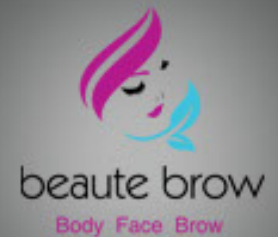

With
Acu-Pa Face Lift
you now have a
powerful
**Age-Regression
Formula**

By working on these pressure points on the face & neck, we begin a **transformation process**

The face becomes toned
by applying appropriate
pressure on the **tendon**,
muscles & **pressure points**.

Blood flow
increases to the
skin & the face
become **firmer and
more shapely.**

The final outcome is an
immediate uplift of the skin
around the **neck and face**

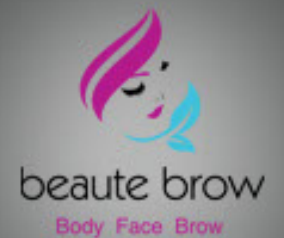

Wrinkles
gradually
diminish while
fine lines
eventually
fade away
